INTRODUCTION

Sokoine University of Agriculture (SUA) was established on the 1st day of July 1984 by Parliament Act No. 6 of the same year which was repealed by the Universities Act No 7 of 2005 which was replaced by the SUA Charter and Rules, 2007. SUA had previously existed as a Faculty of Agriculture, Forestry and Veterinary Science of the University of Dar es Salaam.

SUA is located 3.0 km. from the centre of Morogoro town, about 200 km West of Dar es Salaam Region. The University is currently made up of three Campuses, namely: The Edward Moringe Campus (former Main Campus), and Solomon Mahlangu Campus in Morogoro; as well as the Mizengo Pinda Campus in Katavi. The University also has five training centres namely the Olmotonyi Training Centre in Arusha, the Mazumbai Forest Reserve in Lushoto, the Kitulanghalo Forest Reserve in Morogoro; the Ifinga in Madaba, and Tunduru Training Centres in Ruvuma.

The Edward Moringe Campus is situated on foot of the Uluguru Mountains at an altitude of about 500 - 600 metres above sea level and receives an average annual rainfall of between 600 and 1000 mm. The Edward Moringe Campus has a total land area of 3,350 ha of which about 2,300 ha are reserved for the University farm. The farm is used for training, research and demonstration. It is also used for production of crops, forest products and livestock. In addition to this land, the University owns the Towelo Morning Site (6.0 ha) and the Mvomero farms (20 ha), which are located at an altitude of about 1,300 meters above sea level on the Uluguru Mountains. The Tunduru Training Centre has a total land area of 9 ha and 11 buildings for use as hostels, lecture venues and

offices. All these sites experience a changing climate and serve for training and research purposes. The newly established Mizengo Pinda Campus is located at Kibaoni Village, Mpimbwe Division, Mlele District in Katavi Region and it contains a total of 64 acres.

The University has five Colleges, one School and six Directorates/ Institutes/Centers, namely the Colleges of Agriculture (CoA); Forestry, Wildlife & Tourism (CFWT); Veterinary Medicine & Biomedical Sciences (CVMBS); Social Sciences & Humanities (CSSH); Solomon Mahlangu College of Science and Education (SM-CoSE); School of Agricultural Economics & Business Studies (SAEBS), Institute of Continuing Education (ICE), Directorate of Postgraduate Studies, Research, Technology Transfer and Consultancy (DPRTC), and Directorate of Undergraduate Studies. Others are the Centre for Information & Communication Technology; Sokoine National Agricultural Library (SNAL), SUA Pest Management Centre (SPMC) and Natural Carbon Monitoring Centre (NCCM).

The ICE offers short term in-service programmes to field and operational staff as well as training and extension services to farmers and community leaders. The College of Social Sciences & Humanities acquaints undergraduate students with the challenges of development today and how to overcome them, and the Solomon Mahlangu College of Science and Education, in addition offers a variety of common courses.
