SCHOLARSHIP OPPORTUNITIES FOR MSc. PUBLIC HEALTH PEST MANAGEMENT

The Institute of Pest Management (IPM) at Sokoine University of Agriculture (SUA), through the African Centre of Excellence for Innovative Rodent Pest Management and Biosensor Technology Development (IRPM-BTD), will offer 15 scholarships for MSc. Public Health Pest Management (MSc. PHPM) during 2021/2022 academic year.

The scholarships will ONLY be considered for applicants who have secured admission or submitted application for admission into MSc. PHPM hosted by the Department of Veterinary Medicine and Public Health, SUA. Qualified and interested Tanzanians nationals and regional (Africans) are invited to apply. To qualify for scholarship consideration one should:

- Apply for admission into MSc. PHPM at Sokoine University of Agriculture for the 2021/2022 intake through online application: <http://41.73.194.140:9092/index.php/welcome> . Further information on procedure and admission requirements is available in the SUA website <https://www.sua.ac.tz>
- Submit an application for scholarship consideration to the Project Centre Leader of IPM, Prof. Apia Massawe at massawe@sua.ac.tz and copy to drpgs@sua.ac.tz. The letter should be accompanied by evidence of admission or submission of application for admission into MSc. PHPM, curriculum vitae, scanned copies of academic transcripts and certificates from recognized Universities.

Females are highly encouraged to apply.

The deadline for scholarship application is 20th October 2021.

Only successful candidates will be contacted.
